\* Import value as percentage of the total value of insulin imported by the top 30 diabetes burden countries; NI: No imports reported. We used IDF (International Diabetes Federation) Diabetes Atlas for the data on number of people living with diabetes (both type 1 and 2). The diabetes data for year 2003 was used for ranking countries for year 2004. Similarly year 2007 diabetes data was used for ranking countries in year 2006-2008; year 2012 data was used for year 2011-2012; year 2013 data was used for ranking countries in year 2013.
