

Joint Letter to Jeremy Hunt - Environmental Pollution at Pharma Factories

Joint Letter | 6 November, 2017 | [Download PDF](#)

To: Jeremy Hunt, Secretary of State for Health, Government of the United Kingdom

Dear Mr Hunt,

We are writing to you from the Changing Markets Foundation, Health Action International (HAI), the European Public Health Alliance (EPHA), Health Care Without Harm Europe and the Alliance to Save Our Antibiotics, to follow up on our correspondence at the end of last year, in which we called for urgent action to tackle environmental pollution at pharmaceutical factories supplying the UK's National Health Service (NHS)...
