

# Partners in Driving Change

Brochure | [Download PDF](#)

At Health Action International, we have dedicated the last 40 years to advancing policies that enable access to medicines and rational medicine use for everyone, everywhere.

So, if you're looking for a global leader with advanced expertise in public health policy, research, programme management, and advocacy - you're in the right place.

Download our brochure, [Partners in Driving Change](#), to find out how we can help you with all your project needs.

[Let's start the conversation, contact us today.](#)
