

Statement on Medicines Patent Pool

Press Statement | 14 October 2011 | [PDF](#)

HAI Global and HAI Europe congratulate the Medicines Patent Pool (MPP) on the licensing agreement with generic companies, most notably Aurobindo. The sublicenses are a major step forward in the development of an effective MPP and will have a tangible impact on the lives of many patients and promise the prospect of real improvements in global Access to Medicines.

While acknowledging that these licences are an important step forward, with the potential to deliver real improvements in global Access to medicines, HAI also supports efforts for an inclusive and transparent dialogue with MPP, in order to ensure that persons living with HIV, the broader public health community and the MPP work together, and that everyone has an opportunity to be informed and consulted on core policy choice
