

# Summary - Value of Insulin

Factsheet | [Download PDF](#)

This summary provides guidance for procurement or reimbursement agencies on the cost-effectiveness of human versus analogue insulin for people living with type 1 or type 2 diabetes. It is based on the ACCISS Tool, [The Value of Insulin: A Systematic Review of the Cost-effectiveness of Analogue and Human Insulin](#), available at: [www.accisstoolkit.haiweb.org](http://www.accisstoolkit.haiweb.org)
